

SWEETS AND CAKES

YEAR 7

NAME: _____

DUE DATE: 19th MARCH

WEEK 1

To collect a range of images of sweets. Using these create an image board, think carefully about your presentation and remember to add key words.

WEEK 2

To collect a range of images of cakes. Using these create an image board, think carefully about your presentation and remember to add key words.

WEEK 3

Fill the page with sweet and chocolate wrappers to create a collage page. Remember to think carefully about the layout of the wrappers, your presentation and remember to add key words.

WEEK 4

Draw the shape of either a sweet or cake on this page. Fill the shape with sweet wrappers to create a collage effect, think carefully about the colours of the wrappers.

WEEK 5

Using the image on the previous page, produce an observational study using pencil crayon. Remember to add tone and mark making techniques in your work.

WEEK 6

Using the previous image, produce an observational PENCIL study. Remember to add a range of tone and mark making techniques.

WEEK 7

Using all of your research, design either your own cake or sweet. This can be any shape you like, any colour you like and have any patterns on that you like. Remember to use a range of tonal work within your colour.
